# FORD TRANSIT 2-DOOR ENTRY PRISONER TRANSPORT

for High Security

2-door entry system designed for maximum staff protection and safe transport

Above: Prisoner transport van shown with optional 2-door entry system and under-seat lighting package.

## Standard Features

- 2-door entry system at side and rear doors – providing a higher level of security
- 10-gauge powder coated steel bulkheads with spit guards
- Steel interior doors with integrated door stops
- Vinyl seats with lap belts
- Altro non-skid, easy to clean floor covering
- Rear compartment overhead heat and air
- Full interior walls and headliner
- Passenger side running board and side-entry grab rail for safer loading and unloading of prisoners
- Driver step-assist for quicker vehicle entry and exit

## Additional Options

- Cameras & DVR Systems to your specifications
- Isolation section bulkhead
- Interior trim and seating material options
- Overhead and under-seat lighting packages for increased illumination
- Other floor/seating layouts for specific needs
- Wheelchair lift designs for prisoners with physical disabilities

## Ideas made to move
